

On Sunday night a little lion was born

On Monday he was hungry. He ate one joey but he was still hungry

On Tuesday he ate two hamburgers but he was still hungry

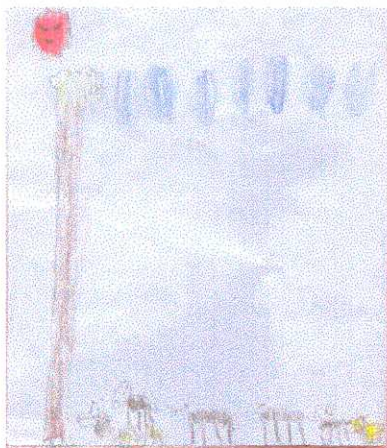

On Wednesday he ate three ponies but he was still hungry

On Thursday he ate four lambs but he was still hungry

On Friday he ate five dogs but he was still hungry

On Saturday he ate corn, eggs, avocado, tomatoes, garlic, ginger, egg plant, radishes, onions and beans. He had a stomach ache that night. In the morning was Sunday. He ate meat and felt better.
