

When We Went to Reef HQ

By Brittany, aged 8

When we went to Reef HQ I saw a lot of things,
But no treasure chests full of necklaces and rings!
The leopard sharks and starfish pools were all very well,
But the thing I liked second best was the underwater tunnel!
The thing I liked best was the sea-snakes,
Who, in their underwater gardens do not need rakes!
I also saw a big grey shark,
Hiding away in the dark...
