

## THREE MEN IN A BOAT

There's a story of three men in a boat,  
That went up the channel for a float.

There was Robert and his friends,  
In a channel that has only two ends.

They came out of old Fishers creek,  
With the weather looking quite bleak.

What way will we go! Came the cry,  
As the sun set there in the sky.

Let's go to the left, let's go to the right,  
Let's call Captain coastguard, one called out in  
fright.

The moral to this story isn't just a guess,  
When Roberts up the channel he should take a  
G.P.S.
