

## FEET.

Our feet must get kinda confused  
being placed in and out of  
strappy thongs worn between toes,  
or ankle strap and a strip around the big toe.

Feet goe in sandals of leather, vynal or other materials  
with open toes ,  
that buckle up or with velcrose close.  
Be they in gym boots for tennis, jogging or running,  
in cricket , socceror footy boots with metal studs,  
they must get confused.

Ladies feet are in strappy stilletoes  
with heels many inches high,  
wether red,white, black, silver, or gold,  
trimmed with buckles, bows or diamenties bold.

The arches must wimper and sigh  
cramped in shoes with heals so high.  
Feet get blisters, bunions and corns  
if the wrong shoe size is worn

Feet are in slippers fluffy or plain.  
Shoes with wedge, cuban, chunky, low or flat,  
or in wellies or gołoushes for when it rains.  
Confused feet must go through pleasure and pain.
