TELL ME WHY.

Tell me why , while you're sleeping,
You can hear the stairs creaking.
Ababy crying,
A rooster crowing,
The rain pouring,
But you can't hear yourself snoring?

Tell me why while your sleeping,
You can hear a car horn beeping,
Amossie humming,
Thunder rumbling,
Waves roaring,
But you can't hear yourself snoring?

Tell me why , while yo're napping,
You can hear a tree branch snapping,
The milko clinking,
The garbo clanging,
But you can't hear your self snoring?

Tell me why, while you're dozing,
You can hear a dog barking,
A frog croaking,
Atrain roaring,
But you can't hear yourself snoring?

Tell me why, while you're kipping,
You can hear a tap dripping,
A bird singing,
The alarm clock ringing,
The curtains drawing,
Your partnaer snoring,
But you can't hear yourself snoring?
Please tell me why!!.
