

**SMELLS I LOVE.**

Perfumes so sweet and  
Flowers.  
Roast meat cooking by the  
Hours.  
Freshly baked bread , just out  
Of the oven.  
And green grasses just  
Mown.

Fresh fruit ripening on the tree,  
A child coming out of the  
Bath squeaky clean.  
Ice cream swirled with  
Peaches.  
And sea breezes gently  
Blowing on our beaches.

**VERA CUTTING.**
