

Humanity Lost.....Point the spot – Who's on top?

Kicked around from town to town
Different from the norm found
Different what does that mean?
Not accepted – discarded
Placed in heap – retarded
Neglected
Effected
Crippled
Frustrated
Racially hated
Smoke filled lungs – stress related
Anger and hurt – minds saturated
Mental health deteriorated
Families eradicated

Families busy – money to earn
Families falling apart – torn
Is this the norm?
Teaching children scorn
Uncivilised actions are performed
Our society's need for reform
Who will be left to succeed?
Financial need replaced with greed
Democracy not corruption in need

Kicked around – used
Abused
Marginalised
Discriminated lies
Who is prized?
What's the need?
Teaching children to deceive
No respect – carers and foster carers to need
Governments pay – exploitation to feed
Mental deterioration does succeed

Families torn
Standing alone
All lost – forlorn
Mental health deteriorate
Drugs and alcohol needed for escape
No respect to be found
All gone underground
Profane
Can't complain
Gone insane
What a cost
Who's the boss?
Humanity lost.....
Point the spot
WHO'S ON TOP?
